What do staff think?

What do your students think?

How do you know?

1 Where do you think you are now in your HEI in terms of providing feedback on assessment?

2 What 3 key successes have you had in this area recently?

Can you or have you systematised or mainstreamed these?

Room for notes, comments, drawing, etc.

3 What are the 3 key challenges you face?

What are your plans for overcoming these?

4 What are your priorities for enhancing assessment and feedback policy and practice?

Do you have timescales for delivery of these priority areas?

5 What would improvement look like for your institution?

6 What can we do as a sector to improve assessment and feedback?
